About Chatham-Kent Family Health Team:

Your career with the Chatham-Kent FHT will offer you the opportunity to tailor make your practice. You will join a FHO group of 23 physicians (and growing) who are located across the five sites of your FHT. We offer modern, well equipped clinical facilities. You can live in a rural setting and be five minutes from your office, or you can choose to live 10 minutes away by the shores of Lake Erie. There is also the opportunity to take over the practice of a retiring physician at this site.

You are licensed by the CPSO and want to be part of a collaborative group of physicians and health care providers, who are dedicated to meeting the medical needs of our community. Our offices are turn-key, well equipped and fully staffed for your convenience. We use Accuro EMR and all sites are inter-connected. Overhead is competitive. Our rural offices will impress you greatly with their modern facilities.

There are opportunities to augment your office practice at the Chatham-Kent Health Alliance by providing in-patient care, or in OB, hospitalist, etc. The choice is yours!

It's all about lifestyle:

- a short commute to work
- surrounded by the Great Lakes offering endless outdoor recreational activities for every season
- affordable housing and cost of living
- moderate climate means less snow and a longer growing season
