Thamesville Site

1 F/T

Start Date: May 2023

Available Position:

After 31 years in medicine the Family Physician in Thamesville is retiring as of April 30, 2023. It is a compact, fully updated practice that uses Accuro. Located in rural Ontario between London and Chatham, the Thamesville office is located in downtown Thamesville with qualified staff (2 secretaries; 1 RN).

Schedule and Compensation:

Currently the office is open Monday to Thursday and Friday off. Currently the physician does evening home visits to those that are unable to come to office as well as Long-Term Care visits (Park St. Place in Thamesville; Beady Manor in Wardsville; few patients in Chatham LTC homes).

There might be opportunities to augment your office practice such as providing in-patient care in hospital, ER work in either Newbury or Chatham, etc. The choice is yours!

Current roster of patients is approximately 2500. Compensation is fee for service and the physician is currently grossing \$600K per year.

Retiring physician is willing to provide all computer equipment, furniture and medical supplies free for incoming MD.

Practice opportunities offering a well-balanced combination of rural and urban components are a rare find!

It's all about lifestyle:

- a short commute
- surrounded by the Great Lakes offering endless outdoor recreational activities for every season
- a moderate climate means less snow and a longer growing season
- affordable housing and cost of living
- major sporting and entertainment events and international travel within an hour's drive
